# Terms & Conditions

## CONDITIONS OF HIRE

All hired equipment is subject to the Carvers hire conditions which are available upon request. Equipment hire is subject to availability and Carvers will not accept responsibility for any consequential damages due to equipment not being available. Please note that Carvers are constantly updating the fleet and therefore the model you receive may vary from the photographs or between hires but will still be within the same category. Carvers make no guarantee of availability.

## HIRE PERIODS – BASIS OF CHARGING AND CATALOGUE PRICES

All charges are calculated on the basis of "time out" and NOT "time used". Days run for 24 hours, from the time of collection or delivery by our transport, and continue until the item is returned to our Hire depot; or collected by our transport. Part days are rounded up to full days. All our prices are correct at the time of print; please confirm prices with a member of the Hire Centre team. Carvers reserve the right to change the price without notification. All consumables are subject to charges.

## DEPOSITS

In the absence of an approved credit account then credit/debit card details with at least enough money to cover a 1 week hire period will be taken at the point of hire as security against the equipment hired. In addition 2 forms of identity confirming the address of the hirer must be provided along with a picture driving licence. It is at the discretion of Carvers whether the identification provided is suitable.

**ANY HIRES OUTSTANDING ON THE LAST WORKING DAY OF THE MONTH WILL BE CHARGED UP TO THE DATE WITH THE DETAILS LEFT AS SECURITY.**

## DAMAGE / LOSS / CLEANING

If the hire goods are returned damaged, unclean and/or in a defective state, except where due to fair wear and tear and/or an inherent fault in the hire goods, the customer shall be liable to pay the supplier for the cost of any repair / cleaning required to return the hire goods to a condition fit for rehire. The customer will pay to the supplier the replacement cost of any hire goods which are lost, stolen and/or damaged beyond economical repair during the hire period. The customer shall pay the rental for the hire goods up to and including the date they notify the supplier that the hire goods have been lost, stolen and/or damaged beyond economical repair from that date.

## WEEKENDS

Goods taken after 3.00pm on a Friday and returned before 9.30am on a Monday will be charged at the weekend rate.

## SAFETY AT WORK

All equipment tagged "Ready for hire" has been subjected to thorough safety checks in our workshops; equipment not bearing this tag should not be hired out. It is the hirer's responsibility to ensure they understand how to use the equipment safely. Where instructions are provided with the equipment the hirer must read these prior to using the equipment. Any queries about using the equipment must be addressed to our Hire Centre staff. Personal Protection Equipment (PPE) is provided on a use or return basis. We strongly recommend it is used and we can provide appropriate PPE with every hire. We rely on all customers to ensure that equipment is sensibly and properly used in accordance with the instruction leaflet supplied.

## DELIVERY

We can deliver equipment to your home or site subject to a delivery/collection charge and availability, prices can be quoted at time of hire.

## REFUSAL OF HIRE

Carvers have the right to refuse the hire of any item.

## FUEL, REFORGING & WEAR CHARGES

All items of equipment will be supplied with a full tank where applicable. Any fuel used will be charged at the point of return at the going rate. All steels used will be subject to a reforging charge at the point of return. All blades will be measured at the point of hire and the mm's noted on the hire contract, on return of the blade it will be measured again and charged accordingly.

## INSURANCE

All hires where the cost price of the equipment is over £2000.00 then all hirers must take out our hired in insurance unless it can be proved that the customer has their own by a copy of the insurance document being presented prior to the hire commencing.

All hires with hired in insurance included will be at the normal hire rate plus a 15% insurance charge.

No customer will be allowed to hire any equipment over the cost price of £2000.00 if they do not take out the hired in insurance or can prove to already have this to Carvers.
